## About Teztecch Internshala

Teztecch Internshala is an internship program for everyone who wants to pursue a career in

-  Web Designing
-  Digital Marketing
-  Graphic Designing
-  Animation
-  Sales
-  Mobile App Development
-  Branding

Unlike other institutes, we take every student into live projects to ensure they get a taste of the real-time experience of their chosen stream.

## Why Choose Internship In Teztecch Internshala

Choosing the right place for an internship is really critical because it decides the fortune of your future. Teztech Internshala understands this point and that's why we provide you with practical and real-time knowledge rather than giving you theoretical knowledge.

We ensure that you get involved in live projects which give you an idea of the corporate world pace which is could be important while applying for a job. We also provide you with the trending tools and their ethical use which help you in your job At Teztecch Internshala you will get mentors who'll guide you thoroughly. From basic to the

advanced level you'll get proper guidance to master your skill with the help of our mentors. We also ensure you that you'll get a guaranteed job after getting mentorship from our mentors.

## Our Vision

Our vision is to close the gap between the students and the corporate world by providing a real-time corporate world experience during an internship.
